Letter From the Principal

As I write this letter, the sun is out, the sky is blue and students and teachers are hard at work in their classrooms. It is tremendously enjoyable to see the excitement in the eyes of our students as they are actively engaged in enrichment activities.

Another terrific year has passed and, along with that, a year of learning, fun, and great friendships. We are very proud of our school, especially the hard work of the students and staff. This year has been full of hard work and has been a massive learning experience for all of us. Even though things have not always worked out as we planned, each time we have taken fresh courage.

Students, you bring such joy and happiness to our school. We are truly fortunate to have such a wonderful group of children at Phoenix Day School for the Deaf. You have touched my life and this school by your presence.

At this stage of your life, it is very important that you take charge of your future and that you are an active participant in your future. Where you choose to focus your time and energy will directly impact what comes to you later in life. I encourage you to work hard in school, set goals for your life, and stay focused on those goals. Keep your eyes on your goals and don't let anyone or anything deter you from achieving them.

Our yearbook consists of many of the activities and people that make PDSD a great place to be! We hope you enjoy reading about us now and in the years to come. Happy memories!
